

Outwood Academy Hemsworth opened in June 2018 sponsored by the Outwood Grange Academies Trust. The Academy is situated in the heart of Hemsworth, which is small town, part of the City of Wakefield. Hemsworth has a rich mining industry and is a proud community that values honesty, integrity and togetherness.

Outwood Academy Hemsworth is renowned for the caring ethos that pervades the work of the staff and its students. This academy is totally committed to safeguarding the welfare of its students and expects the same for its staff and volunteers. Visitors to the academy frequently comment on the warm, welcoming and calm environment.

Outwood Academy Hemsworth, places students at the centre of everything it does, with a focus on creating a culture of success, a positive climate for learning, and increased student attainment. The previous year's results for grade 4+/5+ in English and Maths increased by 17%. We are confident these record breaking results will increase again this year due to the excellent work of staff, students, parents/careers, the Academy Council and the community.

It is an exciting time to join the academy, with a significant investment of approximately £10 million to ensure the facilities are world class.

The aim of all at Outwood Academy Hemsworth is to provide our Students with the knowledge, skills and understanding that they will need in order for them to realise their ambitions, pursue their chosen career pathways and to make valuable contributions to society.

We are proud of our students and welcome you to visit the academy to see the thriving school that we are. If you are passionate about making a positive difference to young peoples' lives, are committed to developing yourself and flourish when part of a successful team then I encourage you to apply.

Yours sincerely

Toby Rutter
Principal
