

**Job Title:** Administration Officer for HeppSY Project

**Reporting to:** Deep Experience Leads and AAPs Deep Experience in both academies

**Salary:** Spinal Column Points 7-11 £19,554 - £21,166

HeppSY is part of a national programme funded by the Higher Education Funding Council for England (HEFCE) to support young people most at risk of missing out on higher education. It builds on the work of the existing Higher Education Progression Partnership (HEPP) involving Sheffield Hallam University, the University of Sheffield and the South Yorkshire colleges of further education.

HeppSY's remit is to work with young people from Year 9 who live in the 45 target wards designated by HEFCE. The evidence shows that higher education participation of young people in these areas is both low and much lower than expected based on GCSE-level attainment.

The objectives of this project by 2020 are to:

- increase progression by black and minority ethnic groups by 20%
- address the under-representation of young men progressing to higher level studies
