As a school and Multi Academy Trust, we firmly believe that the whole point of schools is that children come first and everything we do must reflect that single goal.

We pride ourselves on delivering a high standard of education within a safe, caring and positive environment where, irrespective of their starting points, all children make progress and achieve their full potential. We believe all children have a talent and children leave Outwood Primary Academy Lofthouse Gate with a clear sense of what that talent is and how they need to further develop that talent to succeed in the wider world.

We are seeking individuals who can supervise and assist children with all abilities during lunchtime. This role requires working inside the school, in the playground and on a one to one basis to ensure a safe and positive learning environment is maintained and that all children behave in an appropriate manner.
