Serving the bustling city of Sheffield, Outwood Academy City was constructed in 2011 with state-of-the-art facilities and joined Outwood Grange Academies Trust three years later.

Prior to achieving Academy status, just 48% of students achieved five GCSEs at Grade A*-C, including English and Maths. In 2018, 68% of students achieved the new measure: English and Maths combined at grade 4 or above.

The academy has undergone a huge transformation for its 1000 students, with an innovative curriculum and a personalised approach to learning enabling them to realise their vocational, practical, creative and academic abilities.

You can join us on our journey and build a career that's equally exciting.
