

**Teacher of Maths – 0.4FTE maternity cover
Temporary to August 2019
Outwood Academy City
Required for Easter 2019 or sooner if possible
Salary: MPS/UPS**

Serving the bustling city of Sheffield, Outwood Academy City was constructed in 2011 with state-of-the-art facilities and joined Outwood Grange Academies Trust three years later.

Prior to achieving Academy status, just 48% of students achieved five GCSEs at Grade A*-C, including English and Maths. In 2018, over 68% of students achieved the new measure: English and Maths combined at grade 4 or above.

The academy has undergone a huge transformation for its 1000 students, with an innovative curriculum and a personalised approach to learning enabling them to realise their vocational, practical, creative and academic abilities.

You can join us on our journey and build a career that's equally exciting.

We are looking to appoint a dynamic, enthusiastic and inspirational teacher to join our Mathematics department from Easter 19 (or sooner if possible). This is a fantastic opportunity for a teacher who really wants to make a difference to the lives of young people. Our single goal is 'Students First' and you will be joining a strong team of professionals working to this sole aim.

Outwood Grange Academies Trust provides a high-quality learning and cultural environment that inspires and motivates children. Whether you are ambitious for progression or determined to be an outstanding classroom teacher, Outwood Academy City is the place for you. Leadership development, succession planning and capacity building are major priorities for the Trust as this enables us to facilitate rapid progression for those who want to advance either in the classroom or at a leadership level.

You will be well supported by an experienced team of teachers and Directors as you work to raise attainment levels and offer an engaging curriculum experience that focuses on teaching for understanding.

The Academy benefits from being part of the Outwood Family of Schools, which affords opportunities for staff to work and progress across several schools if desired. All staff are guaranteed a minimum of two hours CPD per week and a further comprehensive programme of professional development is provided through our own network of teaching schools. Our Executive Director for Maths leads the Yorkshire and the Humber MathsHub and there are masses of opportunities for you to get involved in the fantastic projects they run.

The post is two days a week. Tuesday and Thursday from January 2019 or Easter 2019 to August 2019.

Applications can be downloaded from www.city.outwood.com. Further details of the post can be obtained via email (recruitment@city.outwood.com).

Closing date: Monday 10th December 2018

Interview: Thursday 13th December 2018

We reserve the right to close advertisements early. Advertisements will therefore close at 12 noon, either on the advertised closing date, or the day the decision has been taken to close the advertisement early.

The Outwood Grange Academies Trust is committed to safeguarding and promoting the welfare of children. All appointments will be subject to a satisfactory DBS check.
