Outwood Grange Academies Trust seeks applications from outstanding applicants with integrity, imagination and energy for this rewarding role.

If you share our values, join our family.

Serving the bustling city of Sheffield, Outwood Academy City was constructed in 2011 with state-of-the-art facilities and joined Outwood Grange Academies Trust three years later.

Prior to achieving Academy status, just 48% of students achieved five GCSEs at Grade A*-C, including English and Maths. In 2018, 68% of students achieved the new measure: English and Maths combined at grade 4 or above.

The academy has undergone a huge transformation for its 1000 students, with an innovative curriculum and a personalised approach to learning enabling them to realise their vocational, practical, creative and academic abilities.

You can join us on our journey and build a career that's equally exciting.

We are seeking to appoint a committed individual to work across the curriculum to support students with varying needs in mainstream lessons, or working with individual small groups of students, and will work flexibly as part of our inclusion team. The successful applicant will be required to work as part of a dedicated team of staff and relate to a wide range of staff and students within the Academy.

The successful applicant will put the needs of young people first, have a passion for learning, excellent interpersonal skills, and will be both ICT and emotionally literate.

Applications are invited from suitably experienced individuals with the energy and confidence to become an integral part of the academy.
